Commissioner for Patents

Washington, D.C. 20231

Sir:

This is in further response to the Official Action of April 25, 2002.

In the response filed September 25, 2002, page 4, line 14, the phrase "indeed does not form part of the claimed invention" should instead read --indeed the injector does not form part of the claimed invention--.

What is intended, is to point out that the injector

MARSHALL et al. S.N. 09/622,159

does not form part of the claimed invention but that the firing device does.

Respectfully submitted,

YOUNG & THOMPSON
